- Students must have monies in their account to purchase breakfast or lunch. If necessary the Food service Director can allow a student to charge a regular Type-A meal. This will place the parent/guardian on a robo-call list to remind them that their student needs money for lunch. After two Type-A lunches are charged the student will be placed on an alternative lunch of a sandwich and drink to be charged to the students account.
- If you wish to restrict your child's meal plan account, simply complete the form on the back of this letter and return it to your child's Home Room teacher, cafeteria staff member or mail to the address on the back.
- ALL balances positive and negative will be carried over to the following school year.
- Students who qualify for free or reduced lunch at the end of the school year will be given a temporary free or reduced lunch status until your new application has been approved. Parents must apply every year and will receive an approval or denial letter no later than Sept. 30th. If you do not receive a letter please contact me ASAP to fill out another free & reduced lunch application.
- Lunch and Breakfast menus can be found on the school webpage and are subject to change based on availability or school closings.
